

Home Owner Overflow Referral Program

Vacation at My Home LLC (VAMH) wanted to inform you that we just released a Brand New **Home Owner Overflow Referral Program** for you as an inventory member of VacationAtMyHome.com. This program allows you to assist renters that you normally couldn't due to your home already being booked.

VAMH will pay you as an inventory member of VacationAtMyHome.com **\$10 per day** for every day your referred renter stays in one of our inventory homes. The referred renter must book their accommodations through VAMH's booking department.

To participate as a referring Home Owner, please fill out the bottom portion of this form with your client's information, or simply forward any inquiry you can not book yourself to Referrals@VacationAtMyHome.com and a VAMH Booking Agent will assist your referred renter ASAP! VAMH will pay you 10 Business days after the referred renter's arrival.
